RE: SETTLEMENT OF OUTSTANDING RENT AND NOTIFICATION FOR RENEWAL OF LEASE AGREEMENT

1. I am directed to convey the compliments of the Admiral Superintendent Naval Dockyard Limited and acknowledge your letter dated 30 July 2026 on the above subject matter. I am to further acknowledge the receipt of Eighty Million Naira **(₦80,000,000.00)** being part of the outstanding rent owed by your company for lease of Building 44 at Naval Dockyard Limited (NDL). Despite this payment, the sum of One hundred Million Naira **(₦100,000,000.00)** covering the space rent up to February 2026 remains outstanding. You may recall that the lease agreement between your company and NDL for the said space expired since 31 August 2025. Nonetheless, the Yard generously allowed your continued occupation of the space while all efforts to bring your company to the table for renewal of the lease agreement remained unfruitful. This continued indebtedness and failure to either vacate the space or renew the lease agreement has negatively impacted the Yard's business activities. Accordingly, I am to inform you that the Yard has reached its culmination point and is unable to bear further losses from your actions.

2. In view of the foregoing, you are to treat this letter as the final ultimatum to defray your outstanding liabilities, reach an agreement with the Yard for continued use of the space and update your payment from February 2026 in line with the new terms to be agreed upon. Kindly note that NDL has commenced appropriate recovery actions and will terminate all relationships with your company by 30 November 2026 without further notice. Consequently, your failure to comply on or before 29 November 2026 would warrant repossession of the premises by NDL and initiation of legal proceedings for debt recovery.

3. While anticipating your prompt response, please accept, the highest considerations and esteemed regards of the Admiral Superintendent Naval Dockyard Limited.
