Subject: RE: items to procure urgently

Good afternoon Engr. Idris,

I hope this email finds you well.

Please find attached the invoice for the electrodes for your review and advice.

Kindly note that the total cost of ₦15,200,000.00 (Excluding VAT) for the 3.2mm and 4mm electrodes is based on the unit prices from the vendor's last delivery (PO attached). The cost of ₦30,000.00 for the tungsten electrode is based on your new request.

Please confirm if I may proceed with circulating the invoice for payment.

Thank you.

Charles

@Charles Ihuarulam PLEASE prioritize all welding consumables for flux core, TIG and MIG welding consumables. @Cyril Enebeli and @Uduak Esau please assist to give the specification of the welding consumables asper WPS, you can also advice the extent of this welds having worked on the weldmaps. We intend to close this ASAP before Friday as we are already late and hoping on the vessel journey of 3days to the FPSO. Please @Chukwuemeka Ugodu and @Richard Onyebueke please assist charles

Best Regards
Idris Abubakar

Dear Engr. Idris,

Could you please review the attached updated CBE, which includes sample pictures from Aropeters, and share your feedback .

Thank you.

Charles

@Charles Ihuarulam reconcile with bassey as we have procured most of the items last weekend and quickly share a revised CBE. As discussed, if vendor Accept 4.5million naira upfront and is willing to supply 100rolls of fluxcore wires and some other consumables, that looks like a good bargain. Share the revised CBE ASAP.

Best Regards
Idris Abubakar
