Dear Charles,
The inspection has been concluded. the summary is as below;

1. Hex Bolts- Stud bolts presented, the specification is A193-B7/194-2H, Length are as ordered. The bolts are not accepted. But engineering to clarify if Stud bolts can be used in place of Hex Bolts.
2. U-Bolts- All U-bolts as presented meets specification and dimensions and associated Accessory.
3. Sample of the Neoprene presented for review, but clarification to be sorted from the client whether to install on the U-bolts or supplied individually.

See attached report, for any clarification Please call.

Best regards
Uduak Cletus Esau

Dear Coalbergs,

I trust this email finds you well.

Please be informed that we will be visiting your facility for a physical inspection of the items listed in your attached quotation on Monday, 3 August 2026, between 1:00 p.m. and 3:00 p.m.

Kindly ensure that all the materials, along with the necessary documentation (such as the MTCs and datasheets), are available for the inspection.

Thank you.

Kind regards,

Charles

Sir,

Mail is well received. we're offering you a 2% discount on the prices.

Please kindly note that the cost of transportation is not inclusive.

Thanks.

Best regards.

As you have previously shared the MTCs, we kindly request that you provide the corresponding **datasheets where applicable**. We would also appreciate it if you could review your pricing and revert with your best **discounted offer** to enable us to proceed accordingly.

Thank you for your cooperation. We look forward to your prompt response.

Kind regards,

Charles

If your quotation is not based on these drawings, kindly revise your offer accordingly and submit your best competitive price.

Additionally, please provide the following along with your revised quotation:

- Material Test Certificate (MTC)
- Lead time

We would appreciate your prompt response.

Thank You,

Charles Ihuarulam
