NOTIFICATION OF 2026 MANCAP FACTORY INSPECTION VISIT

In line with the provisions of the Standards Organisation of Nigeria Act No. 14 of 2015, and requirements of the Mandatory Conformity Assessment Programme (MANCAP) scheme, the officials of Standards Organisation of Nigeria (SON) Lagos II State Office will carry out Factory Inspection visits to your facility for year 2026 – along with associated Inspection fees. The Inspections have been scheduled as follows:

S/N	DATE	FEE (N)
1.	26/03/26 (1 st Quarter Inspection)	N260,000
2.	26/06/26(2 nd Quarter Inspection)	
3.	Unannounced(3 rd Quarter Inspection)	
4	15/12/26(4 th Quarter Inspection)	

The Inspection will cover the following areas:

- Review of previous factory inspection feedback
- Raw materials/finished product handling
- Production process lines
- Quality Control Laboratory Activities/Records
- On-The-Spot laboratory analyses of your product(s)

At the end of the exercise, samples of your products shall be drawn for a comprehensive analysis at the SON laboratory, on-the-spot test, and reference purposes.

Note: In line with the new management mandate, samples are rated as risk-based, hence all samples drawn during the inspection visit are expected to be returned to the office immediately after the inspection.

To aid the prompt discharge of this assignment, you are expected to pay the sum of Two Hundred and Sixty Thousand Naira Only (N260,000) as the service charge for the year. Please click on the link below to create your profile if you not already done so and generate your e-demand note: <https://edemand.son.gov.ng/Account/Login?service=MANCAP>. Kindly select "Lagos II" when prompted to provide your factory location. **Kindly make this payment before the Inspection visit.**

It is our hope that all logistics, both human and material, shall be in place for a successful exercise.

Thank you for your cooperation.

Engr. Mrs Ugwueche Maryrose
State Coordinator, Lagos State II
For: Director-General/Chief Executive
