NOTIFICATION OF MANDATORY CONFORMITY ASSESSMENT PROGRAMME (MANCAP) SURVEILLANCE INSPECTION EXERCISE

I am directed to inform you that officials of Standards Organisation of Nigeria will be visiting your factory on a **'QUARTERLY BASIS'** to carry out products quality assessment and compliance to the Mandatory Conformity Assessment Programme (MANCAP) as introduced by the Federal Government of Nigeria in line with the SON enabling Act Number 14 of 2015 as amended.

In view of this, please be informed that you have been scheduled for products quality assessment inspections on **11/03/2026 (First Quarter)**, **04/06/2026 (Second Quarter)**, and **10/12/2026 (Fourth Quarter)**. Meanwhile, it is to be communicated to you that it has been approved by SON Management that there should be **at least ONE unannounced** factory inspection exercise which has been scheduled for **THIRD QUARTER of year 2026**.

The inspections will start and end with opening and closing meetings respectively and the organization expects a reasonable number of your management personnel to be present at both meetings. This will cover your **raw material(s)/storage, production process** (raw material intake through in-process to finished product) and **finished product(s)/storage** as well as the **review of in-house quality records**. On-the-spot analysis of your product(s) will thereafter be carried out in your **laboratory**.

Please note that ALL your products MUST be sampled twice in a year (where applicable) for confirmatory analysis and reference purposes (NOTE: SAMPLING REFUSAL WILL ATTRACT PENALTY)

You are hereby required to pay the sum of **Two Hundred and Sixty Thousand Naira (N260,000)** only as factory inspection service charge for the year 2026 through SON online platform at son.gov.ng and forward your evidence of payment to the Organisation for acknowledgement.

It is expected that all the necessary arrangements would be provided to facilitate a successful inspection exercise.

Thank you.
