Dear Sir,

PAYMENT REMINDER ON ORDER NO: DLE/PO/12679/HAPPY H
(AMOUNT – N5,534,782.75)

Having perfectly delivered the job of the above order number and submitted my invoice for payment as agreed on the PO, I have waited for response but to no avail hence this letter.

Even after the job completion order was signed and sent on August, I have reached out to procurement but nothing happened.

We need this payment to prosecute other projects in our hand. We went into this venture because the P.O specified payment four weeks after job completion.

We look forward to your quick and urgent response to this request.

Yours faithfully,

Kennedy Osike
